## Mission Statement

We are committed to being Australia's leading and most diversified contracting, engineering and services provider through our unique delivery model of national specialist skills integrated with strong regional businesses.

We will achieve this by being:

- an employer of choice for our people;
- a partner of choice for our clients

In addition we will:

- Commit to the successful completion of a wide variety of construction, mining, service and engineering projects through our specialist and regional business structure.
- Commit to continuous improvement in all we do.
- Understand our clients business.
- Achieve our vision of "No Harm" through safe responsible work practices.
- Build and maintain open lines of communication with our people, our partners and our clients.
- Create an environment where our people are challenged, motivated and satisfied.
- Conduct Business ethically, honestly and with diligence at all times.
